

Adaptive Expeditions presents our first open enrollment wheelchair pickleball clinic. Provided in partnership with South Carolina Spinal Cord Injury Association (SCSCIA) and Town of Summerville Parks & Recreation. A social-hour after the clinic will include lunch.

**When:** Saturday, September 24, 2022. 10:00am - 12:00pm.  
Cookout 12:00pm until 1:00pm.

**Where:** Rollins Edwards Community Center (Indoors!)  
301 N Hickory St, Summerville, SC 29483.

**What:** Wheelchair pickleball is appropriate for players of all ages and skill levels. The court is nearly a third the size of a tennis court. Rules are simple, and the game can become fast-paced and exciting.

**How:** Sport wheelchairs will be provided to anyone who needs one, and all pickleball equipment will be provided. Not sure about your grip? We can make hand adaptations. Don't need a sport wheelchair? No problem - we will coordinate Run & Roll pickleball: Run & Roll pairs a standing player with a wheelchair player for doubles play that requires teamwork, strategy, and finesse.

**Who:** Individuals and families that include anyone with a spinal cord injury or other physical disability.

**Why:** Fun!, Fun!, Fun! (and a little bit of health, wellness, and fitness too). The game is always friendly and social. Come meet new friends even if you're not sure you want to play!
